

Boom ! ... Bang !..... Boom !

IMAPS-UK November newsletter It's a (fire) Cracker !!!!

Remember, remember the fifth of November and the 30th (for RelPack) !

Wow ! I trust you enjoyed the weekend of fireworks and party times and all your fireworks were safely displayed. For November, IMAPS-UK will set off a few more things which we hope will brighten your day and bring warmth to the colder darker days coming along..... Boom Boom !

Remember to book for the "RelPack"conference:

.... being held on Thursday 30 November, at a new location for IMAPS events - STFC Daresbury Labs, near Warrington.

- with

.....1) some vital information for engineering reliability in Electronic Packaging

.... 2) A focussed Exhibition covering related equipment and Materials

WORKSHOPS....

There is the opportunity to hold a workshop on 9 April at the RHC Windsor Centre venue. If you or your company are interested to do this - please contact the Secretariat ASAP.

There are still opportunities for Exhibitors, Sponsors and Speakers please contact us NOW to secure your place

BOOK THE DATES NOW - Workshops followed by a Gala Dinner on **9 April** and the Conference/AGM on **10 April**.

For your added interest : _____ JOBS _____

IMAPS-UK Corporate Member, **Accelonix** has announced that they have a vacancy for an additional Microelectronics Sales Manager

Accelonix is a small dynamic technology company specialising in the Printed Circuit Board Test, Metrology and Microelectronics industries. Representing a portfolio of market leading equipment and software suppliers, they provides sales, service and support to their UK & Irish customers. Due to continued business growth, the company wishes to appoint a new Sales Manager position within their Microelectronics team.

A customer facing role with responsibility within the Accelonix Microelectronics business. The successful candidate will have excellent commercial skills and experience working within the field of Microelectronics. It is expected that the successful candidate will work from home, however the role demands extensive travel across the UK & Ireland as well as occasional international travel.

To express interest in the position and request further information, please contact Scott Wood at Accelonix: scott.wood@accelonix.co.uk

NEWS FROM THE WIRES:

The Global Photonics Market is valued at USD 207.9 billion in 2016 and is expected to reach a value of USD -billion by the end of 2022, growing at a projected CAGR of 35.01% during the forecast period of 2017 - 2022. - For more information please click on:

<https://www.researchandmarkets.com/publication/mzuok3e/4388143>

The core photonics components market comprises 2,750 companies in 46 countries. These companies produce materials, LEDs, lasers, detectors, image sensors, lenses, prisms, optical filters, gratings, fiber optics, and other photonic components. They address the market of applications in Biophotonics, Defense, Lasers, Medical, Lighting, and Optics. Hopefully IMAPS-UK members will see the benefit of this when organise the Photonics event in October 2018.

More about iMAPS-UK

"APW 2018"

8 February 2018 - At the "Studio" Birmingham.

An Advanced Packaging Workshop on Compound Semiconductor Applications, will be held in Birmingham, jointly with the KTN. This workshop/colloquium is aimed at supporting the needs of the new CSA Catapult. The programme will be announced this month

but book the date now, as our Packaging workshops get booked up quickly and the number of places will be limited to 50 people

.....

.....

NEW IMAPS-UK EVENTS BEING PLANNED FOR 2018 ARE:

21 June 2018 - at NPL - Workshop/Colloquium about Substrates

6 September 2018 - A "basic" Packaging Workshop

23 October 2018 "Optronics" - "pOp II" or maybe EpiPak"

- A conference and Table top exhibition at South Devon College, Torbay - supported by the Torbay High Tech Forum.

6 December 2018 - Packaging for Space Applications

.....

And in other IMAPS Europe Chapters, please note:

IMAPS Nordic and IEEE EPS are again organizing together the NordPac conference and exhibition. This will be held 12 – 14, June 2018 in Oulu, Finland.

Please reserve the dates in your calendar and budget. You can find the call for papers on the IMAPS Nordic website - www.nordpac.org

SOME OTHER EVENTS >>>>

**SEMICON®
EUROPA**

Advanced Packaging Conference:

14-15 November 2017 in Munich

"Electronics Packaging and Test for Future Mobility"

The registration for the SEMICON Europa 2017 is now open. This event is on at the same time as Productronica in Munich. It will also include the Advanced Packaging Conference ... which this year is about "Electronics Packaging and Test for Future Mobility"see [here](#) for the full details:

SEMI have offered a 10% discount for IMAPS-UK members who wish to attend this conference. Please contact me at the secretariat for the discount code to use when booking your place.

As a further bonus, all registered conference attendees will receive in their confirmation a promo code to get free access to the Productronica show floor – separate registration is mandatory.

.....
Power Electronics, Machines and Control (PEMC) Research Group Annual Conference

University of Nottingham

19th December 2017

You are invited to the University of Nottingham's Annual PEMC Group Conference, due to be held in the Faculty of Electrical and Electronic Engineering, on 19th December 2017. The conference is held slightly later this year due to term dates.

At the PEMC Group Conference, presentations will be made by academic members of the PEMC Research group, drawing on material from the complete scope of their research. As usual, the conference is open to invited guests, free of charge. We would also like to extend an invitation for you to join the PEMC Group for a Christmas drink and a mince pie after the conference.

If you would like to attend this conference, or send a delegate to represent your company, please contact Bekki Burns using the details below, on or before **26th October**.

Bekki Burns

Research Administrator (PEMC Group)

pemcevents@nottingham.ac.uk

Please remember, remember

Always book your place at the events in good time

Thanks for reading this - and apologies for the Damp squids, dud bangers and weazy rockets that have gone into yet another Secretariat produced Missive ... please let the office know if you want more information or would like to contribute to the December newsletter... we are happy to share your news, developments, achievements and thoughts with the rest of the membership and some other 600 plus people on our mail-out list.

I look forward to seeing you at one of our events soon

Best regards
