

# MicroTech Annual Conference & Exhibition

## “Advanced Packaging”

RAL, Harwell Campus, Didcot, Oxon,

Wednesday 16<sup>th</sup> September 2020

Register at: <https://www.imaps.org.uk/events/microtech-2020-advanced-packaging/>

### MicroTech Highlights:

*Keynote Presentations from IMEC and Yole Developpement*

*Technical Presentations on System in Package, 3D and wafer level assembly*

*Low cost plastic packaging for photonics and Aerospace*

*Thermal Materials*

### Registration:

<http://www.imaps.org.uk>

	Delegates	Exhibitors
Student	30	NA
IMAPS member	85	385
Non member	155	585

*Prices - £ exclude VAT, inclusive of parking, lunch & refreshments*

**“Where the Industry Meets”**

MicroTech 2020 is the annual IMAPS-UK Conference & Exhibition which this year focuses on key emerging micro-electronics markets and their associated technological challenges in advanced electronics packaging.

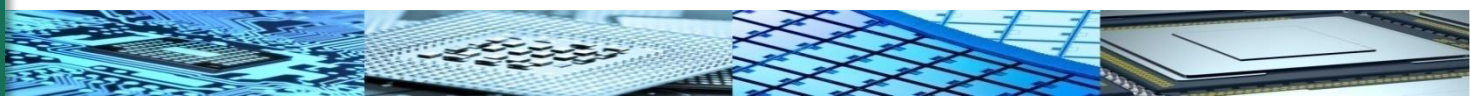

The MicroTech 2020 Conference features presentations on System in Package, 3D and wafer level assembly, advanced thermal management materials and plastic packaging for electronics and photonics.

MicroTech 2020 highlights many of the Emerging Technologies and Materials driven by this rapidly developing industry, touching on Technologies & Assembly Processes common to all areas of the Micro-Electronics community.

MicroTech 2020 will provide an opportunity to learn from leading Industry Experts and Equipment Manufactures as they share their experiences and developments in this rapidly changing industry.

Book your place at the UK’s largest Micro-electronics & Advanced Packaging conference.

IMAPS-UK Technical Conference

## Conference Agenda:

08:30 Registration, Exhibition & Networking

### Session One: Advanced Technology and Trends

#### **Keynote: System in Package for 5G Application – Yole**

Plastic Packaging in the UK – Alter Technology

Packaging of Photonic Devices – Bay Photonics

### Session Two: Advanced Technology Implementation

System in Design Implementation – Zuken UK

Materials Solutions for Thermal Management –

Loughborough University

NanoFLUX Coating – Oxford Nanosystems

### IMAPS-UK Annual General Meeting

- Lunch, Exhibition, Poster Session & Networking

### Session Three: Manufacturing of Advanced Packaging

#### **Keynote: Emerging Technologies for 3D Advanced Packaging - IMEC**

Laser assisted 3.5D and SB<sup>2</sup>-WB assembly – Pactech

PVD developments for FOWLP processes – SPTS

### Session Four: Materials and Processes

Semi-sinter die attach material – Henkel

Advanced thermosonic wedge bonding - Hesse

Low cost packaging for aerospace – Panda Europe

17:00 Closing Remarks & End

## Reception Networking Dinner:

A Networking Dinner will be held at the “Steventon House Hotel” on the evening of Tuesday 15<sup>th</sup> September. Guests will have the opportunity to interact over welcome drinks and an Indian Buffet.

All delegates can register for the dinner option ticket\* (£38.00), when registering for the event.

*\*Please note, there are only a limited number of Dinner places*

## Exhibitor Opportunities:

Interested in attending MicroTech 2020 as an exhibitor?

A limited number of table-tops are available on a first-come, first-served basis; book early to avoid disappointment!

All exhibitors receive listings on the IMAPS-UK website, entries in the event programme, plus the opportunity to provide a short presentation to the delegates during the Conference. Exhibitor Rates: IMAPS Corporate Member: £385, Non-Member: £585

### Five reasons to exhibit at MicroTech 2020:

- It's “Where the Industry Meets”
- See multiple customers in one location
- Showcase products or services
- Enforce your brand & raise your profile
- Discover new industry & business contacts

Please contact the IMAPS Secretariat for further details.

## Sponsorship Opportunities:

Please contact us if you or your Company is interested in raising its profile even further at MicroTech 2020 via our Sponsorship opportunities. In addition to recognition of our sponsors at the start of the Conference, sponsorship provides a free exhibitor table-top, two delegate places, free advert in the event handbook with promotional leaflets distributed to all delegates, logo on all promotional material and online with weblink.
