

# Company Showcase

**IMAPS-UK is offering all Corporate members a new opportunity to “exhibit” products and services to the Micro-Electronic Engineering Community, at our 2021 on-line events .....**

**The Company showcase will be made up of a number of short (15-35 seconds) ‘snappy’ visual company presentations, to be screened a number of times during the event programme. Each company visual presentation should contain:**

- **Some video**
- **Some Conversation (as necessary) or**
- **A relevant soundtrack**
- **It can use various media (movie, slides, pictures etc)**
- **It can be repeated often to give better impact.**

#### **Costs :**

- (a) **Presentation length 15 – 25 seconds - £75:00 per screening**
- (b) **Length 25 – 35 seconds - £175:00 per screening**  
**And by special agreement only:**
- (c) **Length 35 – 45 seconds - £350:00 per screening**
- (d) **Above 45 seconds - - to be negotiated**

**Make contact with Engineers and Technical Specialists at our next on-line event:**

**MicroTech 2021**

**Thursday 25 March 2021**

**BOOK YOUR ‘Exhibition’ SLOTS TODAY ...**
