

CALL FOR POSTERS

IMAPS-UK Annual Conference

IMAPS-UK invites Academic Students and Post Grad Academic workers to submit a brief abstract and title for a Poster presentation at the forthcoming MicroTech Conference. We have space for 15 Posters enabling you to disseminate work you are undertaking to over 100 business managers and engineers from the Micro-Electronics Industry.

MicroTech 2017: Advanced Packaging & Technology Trends

Rutherford Appleton Laboratory, Didcot OX11 0QX – 16 March 2017

MicroTech Highlights:

- Discover New Technologies*
- Exciting Keynote Presentations*
- Eight Technical Presentations*
- Related Industry Exhibition*
- High Impact Research Session*
- Academic Research Posters*
- Incorporates IMAPS-UK AGM*
- Excellent Networking Opportunities*
- Event sold-out for past 4 years!*

MicroTech 2017 brings together experts from across the microelectronics sector to discuss the latest technologies and developments, as well as providing a platform to highlight current commercial opportunities. It also incorporates a high-impact oral session and poster displays from UK research.

This year's conference theme is: "**Advanced Packaging & Technology Trends**". The event features invited Keynote talks, technical presentations & table top exhibits on the latest developments, technologies and capabilities.

The Academic keynote will be "**Internet of Skills - Where 5G IoT Communications, Robotics and AI Meet**" presented by **Professor Mischa Dohler**, Head of the Centre for Telecom Research, Chair Professor, King's College London, Fellow, IEEE & Royal Society of Arts.

MicroTech 2017 provides opportunity for:

- updates on the latest developments, materials, devices & technologies in microelectronic & related packaging
- networking with end-users, researchers, supply chains and technology providers
- review of related research from leading Academic institutions
- discovering new products and business solutions

<i>Non member</i>	125	-
<i>Event partner</i>	100	500
<i>Selected Poster Presenters</i>	Free	-

Prices-£ exclude VAT, inclusive of parking, lunch & refreshments

"Where the Industry Meets"

Poster Session:

Interested in attending MicroTech 2017 as a Poster presenter? A limited number of spaces are available for Academia to display a Poster of their ongoing research work to the microelectronic industry community.

All Selected Poster Presenters will be provided free entry to the conference and will be listed on the IMAPS-UK website and in the event programme. The IMAPS-UK technical committee will review the posters and one will be chosen as best Poster 2017. The winner will be offered the opportunity to provide a full paper to be featured in “**Microelectronics International**” published by Emerald.

Please forward your submission to:

Office@imaps.org.uk by Latest 27 January 2017

Attending the Conference:

Five reasons to exhibit at MicroTech 2017:

- It's "Where the Industry Meets"
- See multiple customers in one location
- Showcase products or services
- Enforce your brand & raise your profile
- Discover new industry & business contacts

Please contact the IMAPS Secretariat for further details.

Conference Agenda:

- Registration, Exhibition & Networking
- Conference Opening Briefings
- Session One: Technology Trends
- Coffee, Tea & Networking
- Session Two: Related Research
- IMAPS-UK Annual General Meeting
- Lunch, Poster Session & Networking
- Session Three: Advanced Packaging
- Coffee, Tea & Networking
- Session Four: Materials, Processes & Devices
- Closing Summary & Awards

Reception Networking Dinner:

A 3 course Networking Dinner with drinks reception will be held at the "Rasoi" Indian Restaurant in the Steventon House Hotel on the evening of Wednesday 15th March.

Guests will have the opportunity to interact over welcome drinks and starters before the sit-down meal.

All delegates can register for the dinner option with their ticket (£39.50), when registering for the event.
